WHERE YOUR MONEY GOES

We need $12,000 this season. Here is every dollar.

$4,200

$3,800

40 kids play free whose families can't cover the $95 fee

$2,500

Total: $4,200 + $3,800 + $2,500 + $1,500 = $12,000

RATHER GIVE SUPPLIES?

Goods count too, at your retail price.

Donate things we were going to buy anyway, and we count them toward a level at your shelf price. Mix goods and a check if you like.

$750 in supplies is a Team sponsor. Same jerseys, same photo.

What we use every season

- Infield conditioner and field chalk
- Rakes, flat shovels, wheelbarrows
- Lumber and hardware for dugout benches
- Padlocks for the equipment sheds
- Mulch, grass seed, field paint

You get a receipt listing each item and its value. Ask your accountant how to count it for taxes.
